

Applying for homes in Manley Close, Antrobus

How you search

The houses are run by www.westcheshirehomes.co.uk

(email: westcheshirehomes@cheshirewestandchester.gov.uk)

West Cheshire Homes is a partnership between Cheshire West and Chester Council and the main Housing Associations: ForHousing, Sanctuary and Weaver Vale Housing Trust.

Go to the website and click on 'search for a home', or use the link below

<https://westcheshirehomes.housingjigsaw.co.uk/atlas/search-results>

On the search box, enter CW9 6SA or Antrobus and press enter.

The availability comes up. You can adjust the search distance to get homes in a wider area.

New properties are advertised regularly, with adverts running for a minimum of four days up to a maximum of seven days. But please note there is no 'waiting list'. You have to spot properties yourself. See below for what you have to do before searching and after searching.

How it works

For full details Click the menu symbol on the top left, then click How it works – how west cheshire homes works.

Registration – click on the join the register button

Assessment – to be awarded the appropriate banding. However customers who fulfil the local lettings criteria are prioritised in Manley Close properties. This includes:

- People living in Antrobus
- People with close family living in Antrobus for at least 5 years
- People employed in the Parish
- People living in surrounding villages of Higher Whitley, Lower Whitley, Great Budworth and Comberbach.

Bidding – You view the website weekly and find that new properties are advertised regularly, with adverts running for a minimum of four days up to a maximum of seven days. You then make a bid.

Offer – Manley close properties should be offered according to the local priority above and then by banding.
